

A set of Stanley combination wrenches, model 70-379, is shown in its yellow plastic carrying case. The case is a trapezoidal shape with a carrying handle at the top. The wrenches are made of polished chrome and are arranged in a fan-like pattern, with the heads of the wrenches facing outwards. The case is positioned in the center of the image, with the wrenches extending to the left and right. The background is plain white.
